Gravity Sensing System

Welcome to your new Sigelei Legend. An advanced variable voltage/variable wattage electronic cigarette/vaporizer using the latest technology and incorporating a gravity sensing system.

USING YOUR LEGEND FOR THE FIRST TIME

Unscrew the cap from the bottom of the Legend and insert the battery, positive (+) end first and refit bottom cap. The screen will display “SIGELEI”, “LEGEND”.

MAIN FEATURES

Visual Operation System
Motor Vibration
5-20 Seconds Cut off
Output Short Circuit Protection
Reverse Battery Protection Circuit
Low Voltage Protection
510&Ego threading

TURNING ON DEVICE

Press the power button 5 times continuously, the Legend will turn on indicated by the device vibrating and “SIGELEI”, “LEGEND” being displayed on the screen. You are now in standby mode.

USING THE ADJUSTMENT MENU

Whilst in standby mode press the power button 5 times continuously (the device will vibrate) you are now in the settings menu. Whilst in the settings menu, pressing the power button will allow you to select one of the following options:

SYSTEM – tilting to the left will turn the device "OFF". If you have accidentally selected off tilting right within 2 seconds will display "ON" and stop the Legend from turning off.

VOLT – adjusts the output voltage range from 3.0V to 6.0V in .1 increments by tilting the device left (down) or right (up)

WATT – adjusts the output power range from 3.0W to 15.0W in .1 increments by tilting the device left (down) or right (up)

SHOW – allows you to turn the OLED display “ON” or “OFF” (stealth mode)

MOBILE – allows the use of the supplied USB adapter. If you select ‘MOBILE ON” the Legend is able to charge electronic products such as mobile phone, mp3 etc., with the USB adapter connected via the 510 fitment. Notice: exit the menu, press and hold the power button, the screen shows “Warning!” “no smoking!”. A battery symbol will be displayed indicating “MOBILE” charging has been activated.

TIME – adjusts the maximum time of each vape from 5.0s to 20.0s

EXIT – exits setting menu – alternatively leaving the Legend in any menu for more than 20 seconds without any adjustment will automatically return to standby.

(* Because of gravity sensor, when the Legend leans to one side for a long time, the adjustment will speed up, also you will feel the Legend vibrate whilst adjusting each function*)

TIPS

Please read the instructions and precautions before using the Sigelei Legend .

1.The Legend is not suitable for children, women who are pregnant or breast feeding, persons at risk of heart disease, hypertension and diabetes, or taking medicine for depression and asthma.

2.This unit may include small parts. Please keep out of reach of children and pets.

3.Charge batteries when the power level is below 10 percent.

4.Please do not place it in excessively hot or cold environments.

5.Please ensure battery is fitted correctly, otherwise device will not function.

6.Please do not drop, throw, abuse or submerge the Legend in water.
7.This product is sold purely for recreational purposes – it is not a smoking cessation product and has not been tested as such.

Error-code: Short=short circuit of the atomizer
Low-V= under voltage(≦Q3.4V)
HHHHHHHH= over voltage
*When the resistance of the atomizer is below 0.8Ω, the Legend will not work.

Warranty and Guarantee:
12 months
Improper operation will void the warranty.
Do not drop Legend

Patent No: 201430014734.6
